TRANSFORMING KNOWLEDGE INTO TECHNOLOGY

PROSPECTUS

Chairman's MESSAGE

MR. YASHVEER DAGAR
CHAIRMAN —

At Rattan Institute of Management & Engineering (RIME), we believe that education is the foundation upon which a progressive and innovative society is built. Our vision is to transform knowledge into technology and empower young minds with the skills, values, and confidence needed to excel in a rapidly evolving world.

We are committed to providing a dynamic learning environment that blends academic excellence with practical exposure. Through industry-oriented programs, experienced faculty, and modern infrastructure, we strive to nurture creativity, critical thinking, and leadership among our students.

At RIME, education goes beyond classrooms. We focus on holistic development—encouraging students to explore their potential, embrace challenges, and emerge as responsible global citizens. Our strong affiliations and approvals ensure that students receive quality education aligned with national standards and global expectations.

As Chairman, I take immense pride in the achievements of our students and faculty, and I remain dedicated to continuously enhancing our academic ecosystem. I invite aspiring learners to join us on this journey of growth, innovation, and success.

Let us work together to shape a brighter future.

Warm regards,

A stylized, handwritten signature in blue ink, appearing to read 'Yashveer Dagar'.

Mr. Yashveer Dagar
Chairman
Rattan Institute of Management & Engineering

RIME

LEGACY OF KNOWLEDGE AND GROWTH

RATTAN INSTITUTE OF MANAGEMENT & ENGINEERING

At Rattan Institute of Management & Engineering, our vision is to be a globally recognized center of excellence for Engineering & Management education that empowers our students to lead, innovate, and create positive change in the world. We aspire to create a dynamic and inclusive learning environment that fosters intellectual curiosity, critical thinking, and lifelong learning and prepares our students to meet the challenges and opportunities for the world.

We are committed to providing our students with industry-relevant education, practical learning experiences, and a strong foundation in ethics and social responsibility. Our goal is to inspire our students to become leaders and change-makers who can drive sustainable development, innovation, and entrepreneurship in their respective fields.

We are committed to fostering a culture of academic excellence, intellectual curiosity, and practical learning that prepares our students for the challenges and opportunities of the real world. Our experienced faculty members, state-of-the-art infrastructure, and dedicated support services enable us to provide a comprehensive education that fosters the holistic development

RATTAN INSTITUTE OF MANAGEMENT & ENGINEERING

INTERPRETING DATA, CREATING INSIGHTS

Embark on the journey of RITM through a compelling narrative shaped by data. Established in 2008, the institution has grown dynamically over the years, reflecting a strong commitment to academic excellence and innovation. Beginning with the foundation of Rattan Convent School, the journey highlights a steady path of progress and development. Spread across a sprawling 17.5-acre campus with state-of-the-art infrastructure and strong industry partnerships for placements, RITM's data-driven journey reflects a legacy of quality education, impactful learning, and continuous growth.

BACHELOR OF TECHNOLOGY

B.TECH

DURATION: 4 YEARS

CSE | AI | AIML

Eligibility: 10+2 from a recognized board with Physics & Mathematics as a compulsory subject.
Minimum Marks: At least 45% marks (40% for SC/ST candidates) in 12th grade.

Shaping Future Engineers with Innovation & Industry Excellence

The Bachelor of Technology (B.Tech) program at Rattan Institute of Management & Engineering is designed to develop skilled engineers equipped with strong technical knowledge and problem solving abilities. With an industry-driven curriculum, advanced laboratories, live projects, and expert faculty guidance, students gain practical exposure that prepares them for successful careers in core engineering and emerging technology sectors.

Specializations

- ✓ Computer Science & Engineering
- ✓ Artificial Intelligence
- ✓ Artificial Intelligence & Machine Learning

Workshops

- ✓ Programming & Development: C, C++, Python
- ✓ Robotics & Automation
- ✓ AI & Data Science Fundamentals
- ✓ Industrial Training & Live Projects

BACHELOR OF TECHNOLOGY

B.TECH

DURATION: 4 YEARS

EE | ECE | ME

Eligibility: 10+2 from a recognized board
with Mathematics as a subject.

Minimum Marks: At least 45% marks
(40% for SC/ST candidates) in 12th grade.

Shaping Future Engineers with Innovation & Industry Excellence

The Bachelor of Technology (B.Tech) program at Rattan Institute of Management & Engineering is designed to develop skilled engineers equipped with strong technical knowledge and problem solving abilities. With an industry-driven curriculum, advanced laboratories, live projects, and expert faculty guidance, students gain practical exposure that prepares them for successful careers in core engineering and emerging technology sectors.

Specializations

- ✓ Mechanical Engineering
- ✓ Electrical Engineering
- ✓ Electronics & Communication Engineering

Workshops

- ✓ Programming & Development: C, C++, Python
- ✓ IoT & Embedded Systems
- ✓ Cloud Computing & DevOps
- ✓ Industrial Training & Live Projects
- ✓ Resume Building & Campus Placement Preparation

BACHELOR OF COMPUTER APPLICATION

BCA

DURATION: 4 YEARS

Eligibility: 10+2 from a recognized board.

Minimum Marks: At least 45% marks (40% for SC/ST candidates) in 12th grade.

Empowering Future Tech Leaders with Innovation & Excellence

The Bachelor of Computer Applications (BCA) program at Rattan is designed to equip students with cutting-edge knowledge in computer science, programming, and software development. With a strong emphasis on practical learning, industry-oriented curriculum, and hands-on projects, the program prepares students for thriving careers in IT and software industries.

Backed by expert faculty and state-of-the-art infrastructure.

Specializations

- ✓ Full-Stack Web Development
- ✓ Data Science & Machine Learning
- ✓ Cybersecurity & Ethical Hacking
- ✓ Cloud Computing & DevOps
- ✓ Android & iOS App Development
- ✓ Artificial Intelligence & IoT
- ✓ Machine Learning
- ✓ Big Data

Workshops

- ✓ Coding & Development: Python, Java, Full-Stack Web Development
- ✓ AI & Data Science: Machine Learning, Data Analytics, AI Tools
- ✓ Cyber Security & Ethical Hacking
- ✓ Cloud Computing & DevOps
- ✓ Mobile App Development (Android & iOS)
- ✓ UI/UX Design & Prototyping
- ✓ Resume Building & Interview Preparation for Tech Jobs

MASTER OF COMPUTER APPLICATIONS

MCA

DURATION: 2 YEARS

Eligibility: 10+2+3 from a recognized University.

Minimum Marks: At least 45% marks (40% for SC/ST candidates) in 12th grade.

Advancing Tech Expertise for Next-Generation IT Professionals

The Master of Computer Applications (MCA) program provides advanced knowledge in software development, database management, AI, and cloud technologies. With project-based learning and industry-oriented training, students are prepared for high level roles in IT, software engineering, and technology consulting.

15+
CERTIFICATION
PROGRAMS

Workshops

- ✓ Advanced Programming & Software Architecture
- ✓ AI, Machine Learning & Data Science
- ✓ Cloud Computing & DevOps
- ✓ Cyber Security & Blockchain Basics
- ✓ Full-Stack Development
- ✓ Research Projects & Capstone Development
- ✓ Career Guidance & Technical Interview Prep

MASTER OF BUSINESS ADMINISTRATION

MBA

DURATION: 2 YEARS

Eligibility: 10+2+3 from
a recognized university.

Minimum Marks: At least 45% marks
(40% for SC/ST candidates) in 12th grade.

Transforming Ambitious Graduates into Corporate Leaders

The Master of Business Administration (MBA) program focuses on advanced management practices, strategic decision-making, and leadership excellence. With realworld case studies, corporate interactions, and industry projects, students are prepared to excel in competitive business environments.

Workshops

- ✓ Advanced Programming & Software Architecture
- ✓ AI, Machine Learning & Data Science
- ✓ Cloud Computing & DevOps
- ✓ Cyber Security & Blockchain Basics
- ✓ Full-Stack Development
- ✓ Research Projects & Capstone Development

MARKETING | FINANCE | HR | OPERATIONS | SUPPLY CHAIN | INTERNATIONAL BUSINESS | IT

BACHELOR OF BUSINESS ADMINISTRATION

BBA

DURATION: 4 YEARS

Eligibility: 10+2 from a recognized board.

Minimum Marks: At least 45% marks (40% for SC/ST candidates) in 12th grade.

Developing Future Business Leaders with Strategic Vision

The Master of Business Administration (MBA) program focuses on advanced management practices, strategic decision-making, and leadership excellence. With real-world case studies, corporate interactions and industry projects, students are prepared to excel in competitive business environments.

Workshops & Skill Development:

- ✓ Digital Marketing & Social Media Strategy
- ✓ Entrepreneurship & Startup Development
- ✓ Financial Planning & Investment Basics
- ✓ Business Analytics Fundamentals
- ✓ Corporate Communication Skills
- ✓ Leadership & Personality Development
- ✓ Resume Building & Interview Skills

Career Opportunities After BBA

Graduates can explore roles like:

- ✓ Business Development Executive
- ✓ Marketing Executive
- ✓ HR Executive
- ✓ Financial Analyst
- ✓ Operations Executive
- ✓ Digital Marketing Manager
- ✓ Entrepreneur / Startup Founder
